

## What to Expect from Your Mechanic

Ever thought about joining your mechanic at the next inspection?. Certain inspections must be performed by a mechanic....but the pilot is responsible for keeping the aircraft in airworthy condition between inspections.

**Directions:** From the North: Take Highway 1 South to Monterey. Take the Highway 68 East Exit towards Salinas. Merge onto Monterey-Salinas Highway (Hwy 68 East). Go approximately 1.5 miles and turn LEFT onto Olmsted Road. Aerodynamic is located on the south side, general aviation turnoff just before the airport parking lot. From the South: Take Highway 1 North to Monterey. Take Highway 68 EAST towards Salinas. Merge onto Monterey-Salinas Highway (Highway 68 East). Follow directions above.

### A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
